Battle of the Books

A team of students went to First Coast Technical to participate in the Battle of the Books, a reading incentive for students in 3rd-12th grade. Students read books and come together to demonstrate their abilities and to test their knowledge of the books they have read. Our team placed 2nd!! We are so proud of their performance and impressed with their teamwork, perseverance, and ability to perform in front of their peers.

Dear KES Volunteers,

Are you excited for summer? I know your children are looking forward to the carefree days of summertime. We are looking forward to the next two weeks of school with all of the activities planned. Your children bring us such joy and we love spending time with them. There will be numerous field trips, special events and celebrations. Please remember to submit your volunteer application, if you haven't already done so. Include an email in the application so that I can notify you when you are approved. I promise that you don't want to miss being a part of the memories your child is making.

I hope to see you before the end of the school year!

Michelle

What fun Haley is having on her AT hiking adventure. She continues to hike an average of 16 to 20 miles per day and has now hiked over 900 miles! She is sleeping in a tent, filtering her water, and eating like a squirrel. She is also realizing her dream, making wonderful memories, and realizing her strength. Treat yourself to wonderful writing and insight in to the life of a thru hiker by following her trail journal at [www.trailjournal.com/Murphy](http://www.trailjournal.com/Murphy).
