Dear KES Volunteers,

It was so nice seeing so many volunteers with their beach towels, sun hats, and smelling like suntan lotion as they boarded the buses for Reading Splash this week. The students were so excited to have you with them. The Art Show exhibits look fabulous thanks to our amazing student artist and thanks to our awesome volunteers for hanging each and every one. We are so thankful for all that you do.

We still have several special events, so please remember to sign-in each time you visit the school. Also, if grandparents, aunts, uncles and other loved ones are planning on attending any of the end-of-the -year events, please direct them to the online volunteer application.

I hope to see you before the end of the school year!

We have raised over \$2232.00 this year from Box Tops for Education. Thank you for participating and for your diligence in sending the Box Tops in with your child. Second graders collected the most Box Tops

this year earning them a popsicle party. Please keep collecting over the summer so that we can start the year off strong. A HUGE "thank you" to Elizabeth Masters for counting, organizing and submitting every Box Top collected.

Can you say AMAZING????

Haley has made her way in to the hills of West Virginia and is halfway through her 2100 mile hike of the

Appalachian Trail. This week she saw a bear cub climbing a tree with the momma bear close behind. Good thing Haley has practiced singing a "bear song" to avoid unfriendly encounters. Make sure you ask her to sing you a sample! Haley is loving this adventure and each day looks for something new to savor. Treat yourself to wonderful writing and insight in to the life of a thru hiker by following her trail journal at www.trailjournal.com/Murphy.

They fundraise for trainings, books, supplies and many other important things that directly impact KES. Please consider joining P.T.O. next year.
