Volunteers of the Year

KES is AMAZING!! We are proud of our school and we know that we continue to experience success because of the dedication of our wonderful volunteers. Each of you bring your own special gifts that make our school so special. We are truly grateful for ALL of you!! Each year, every school in the district is asked to choose a volunteer in 3 different categories to represent them at the Volunteer of the Year banquet that is held in the spring. It is a wonderful celebration of the unselfish acts of kindness that are scattered among our school district. Congratulations to the following volunteers for being selected as our **VOLUNTEERS OF THE YEAR**:

Youth: Jylian Gwaltney Adult: Tara Strickland Senior: Thalia Snyder

We are so grateful for your dedication to KES.

Dear Ketterlinus Family and Friends -

As you know, the standards are more challenging; however, it is the right direction for us to go in education. I'm very proud of the learning that our students are doing and excited about the level of instruction our teachers are providing. Thank you for all of YOUR support in making our students reach their full potential - both academically and emotionally. It is a tough balance and I believe that is what KES staff and parents do right. As questions and concerns arise, I encourage you to talk to your child's teacher FIRST. KES teachers appreciate the open dialogue and the opportunity to hear from the parent directly about their concerns and/or questions. As a principal, when I have a parent call me about a concern, I go to the teacher to get information who typically resolves it, since they have first-hand knowledge or are more familiar with the situation and student. Over the last few weeks, I received several calls regarding bus routes, lunch accounts, or classroom concerns. To assist you in getting a quicker response, I ask that you contact the classroom teacher if it is in regards to your child's academics, social/emotional needs or incidents within the school. If the situation is not resolved to your satisfaction, then please feel free to contact me directly.

Included in this newsletter is a directory of those individuals who can assist you with common questions that do not pertain to the classroom.

Thank you for all your support, Kathy Tucker, Principal

Making a Difference

Each week we will share examples of acts of kindness shown by our staff members or by our students. We hope that you enjoy getting a glimpse of the character displayed at KES.

Sophie D., a kindergarten student, came into the library to check out a book. When she came up to check out with me she said, "I really wanted a SpongeBob book but I did not want to bother Mrs. Droege while she was teaching a class". What consideration!!!!

READING CAMPOUT

Before Winter Break, Ms. Guiliani's class enjoyed a Reading Campout. They brought blankets, flashlights and their favorite book to read.

Let's Celebrate Literacy Week

January 26-30, 2015

Book Swap: Is your book shelf full of books that you have enjoyed, but now there is no room for new books? How about swapping your **gently** used books for other **gently** used books? Here's how:

From Monday, January 26th – Thursday, January 29th bring your gently used books to the library.

Please check that your books are free of stains, rips, and writing. Any books found to be in poor condition will not be accepted. Then, on Friday, January 30^{th,} you will have an opportunity to choose a new-to-you book or books from all of the books collected.

Remember that books will be swapped with like books. So, picture books will be swapped for picture books, chapter books for chapter books, hardcover for hardcover, etc. The number of books collected from you will equal the number of books you may choose to take home.

Recycling at its best!
