Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The District Parent Involvement Policy/Plan (D-PIP) is formulated through the representation of each School Advisory Council. By serving on the Title I committee and school SAC, needs are coordinated and addressed to provide input into the D-PIP and school level Parent Involvement Policies. The committee reviews the D-PIP and brings needs from their respective School Advisory Council to assist in formulating the D-PIP. Monthly School Advisory Council meetings, to which all parents are invited, are documented by agendas, minutes and sign-in sheets which reflect input from parents on parent involvement activities and policies.

The D-PIP will be added to each Title I school website.

Title I involvement will be an ongoing item on each Title I school's monthly SAC meeting agenda provided by the principal, SAC chair, and/or Title I parent representative.

A Title I website, as part of the St. Johns County School District website, will be maintained and updated with Title I information to include helpful parenting tips.

A Title I brochure will be published and made available to parents, which will include an overview of Title I and provide parent information. The brochure will be made available at each Title I school and on the district Title I website. An online Title I parent survey is made available for parent input. The survey is available on Title I school websites and on the district Title I website.

The Title I district office disseminates 100 percent of the required one percent set-aside to each Title I school for school-based parental involvement activities. Decisions involving the use of the Title I funds reserved for parental involvement at the school level will be made during the development of the School Improvement Plan (SIP) by the SAC. Each year, St. Johns County School District's office of Planning and Accountability provides training and information to all schools on ways to include parents in the school improvement process. The District School Advisory Council is comprised of members from each school's SAC which meets with the Superintendent on a monthly basis.
