

Passport to Learning

We are excited to announce our latest challenge, the “Passport to Learning”. Each student received a passport just prior to Winter Break. Students who complete the passport by March 14th will be invited to the ultimate party – “Grow and Glow” party. Parents of eligible students will be invited to attend as well. We recognize that a child’s success happens from the support at home. Details on the party will be announced as we get closer to the end of the 3rd nine weeks.

We are looking forward to seeing your child track their success. Everything in the passport can be accomplished by any student regardless of academic level. We are hoping that through prior challenges – the parent bingo card and Get School Challenge #1 & #2, that students keep their stamina and perseverance to complete the passport. They will have 9 weeks to complete the tasks. However, we are encouraging students (& parents) to begin over winter break with the Virtual Learning and Character Counts! pages.

Page 2 – “20 Things to Do At Home”. Students choose 20 things to do between December 19th – March 14. Things must be done between those dates. Not prior or after.

Page 3 – “Virtual Learning”. We highly encourage students to begin over Winter Break. However, they have until March 14th. Students will need to login to the appropriate website. See below:

Page 4 – “Charter Counts”. This must be completed at school between January 7th – March 14th.

Page 5 – “Independent Reading”. Students must complete this between January 7th – March 14th. HOWEVER, we encourage students to get a “jump-start” on their reading over Winter Break. Students can then take AR tests as soon as they return.

Page 6 – “Homework”. This is a teacher monitored between January 7th – March 14th. The goal is 100% homework. Grade-levels will have specifics on any bonus or make-up.

Page 7 – “Attendance”. This is a visual for students to monitor their attendance. We are striving for 90% attendance. No more than to 4 absences, tardies or early dismissals.
