

# First Annual KES Turkey Trot

Let's exercise our Math brains to get ready for the holidays with a Freckle Math Competition!

Here are the rules:

Try to practice on Freckle Math for at least 15 minutes per day or more! You can practice both at school and at home. The goal is to have the most minutes of Math practice from November 3<sup>rd</sup> to November 30<sup>th</sup>. We will track your minutes for you, just log on and practice!

The top 3 students from each grade level to spend the most minutes practicing Math in Freckle will earn a Chick-Fil-A lunch with Mrs. Tucker!

The top class from each grade level will earn a popcorn party & extra recess!

Gobble, Gobble Dolphins!
